## NIGHT RIDER CASES STILL BEFORE COURT

Leo Sisk Was Convicted and Gets From One to Five Years

IN THE BRANCH PENITENTIARY

Leo Sisk, one of the alleged Night Riders, under indictment as a result of the raid on negroes at Carbondale, is being tried in Circuit Court, his case having been entered into yesterday morning. He was represented by Teague & Franklin, and after being out 20 minutes, the jury returned a verdict of guilty.

All of Wednesday was taken up in securing a jury, which was completed shortly after 4 o'clock. Court then adjourned until Thursday morning.

Many of the witnesses for the commonwealth who testified in the cases against Jackson and Peterson were summoned in this case.

Joe Love, colored, was the first one on the stand and he told of the visit paid his house on the night of the raid, and claimed that it was Leo Sisk who had pointed a gun in his face and asked him if he intended to leave the county, to which he replied that "he did." He claimed that he recognized Sisk by his voice.

Oscar Terrell, colored, named a number of men he recognized when they visited him but did not recognize Leo Sisk. Said Jake Oldham and Will Ladd were recognized.

Ed Cook, another negro visited, stated that he recognized Sisk in the crowd by his voice, that he had worked with him and knew his voice.

There are about twenty more to be tried.

## GEO. MOTHERSHEAD AND JOHN H. FISH

Elected School Trustees Saturday Afternoon—Election Held at School Building

Election for the office of school trustees was held at the school building Saturday afternoon. Quite a number of votes were cast, which resulted in the election of J. H. Fish and George W. Mothershead, who were appointed early in the year to fill out the unexpired term of E. L. Wise and Walter Daves. Both of these gentlemen are well qualified for the office and will doubtless give entire satisfaction to the Patrons of the school.

## EARLINGTON CHAUTAUQUA

Three Days Session with Splendid Talent Arranged

### COMMUNITY CHAUTAUQUA OF NEW YORK AND INDIANAPOLIS

Earlington gets a fine Chautauqua season this summer, the dates to be fixed later. Today seventeen publicspirited Earlington men entered into a contract and signed a guarantee which makes the project an assured success and we shall have the Chautauqua with a choice line of select musical, magical and other entertainment that will be up to the high standard supplied by the Community Chautauqua of New York and Indianapolis, one of the best bureaus in the whole country.

The gate of the meeting will probably be some time in the middle or latter part of the summer. A considerable number of the best towns down through Indiana and Kentucky have been signed up for this year's circuit and as soon as the preliminary campaign is finished the local committee will be notified as to the dates and this will be followed by an organized movement to sell the necessary number of season tickets at \$1.50 for the three days meeting, which will provide two splendid and varied entertainments daily, or six in all. Town pride and a lively and awakening community interest is manifested in the quickest acceptance and guarantee of the plan within a few hours and the Earlington public, together with our good neighbors of Madisonville, Morton's Gap, S. Charles and surrounding territory, are expected to meet gladly, when the time comes, the opportunity to take part in the movement and enjoy the fine entertainment that will be offered.

The men who have signed the guarantee and made this thing new undertaking possible for Earlington are:

J. S. Hawkins, Paul M. Moore, O. E. Dudley, Jas. R. Rash, Dan M. Evans, Ralph Dudley, Frank B. Arnold, Webb Brothers, Mike Bohan, George Mothershead, Henry Coward, George King & Sons, Mrs. Dusenberry, B. E. Nixon, Brown Brothers, Will Whitford and J. E. Fawcett.

This is a good world, after all; and most of the good people live in this town—including even von.

## INDICT 27 MEN FOR MURDER

Grand Jury at Madisonville Acts in Possum Hunter Cases

### REPORTED MEN HAVE FLED

Madisonville, Ky., May 12.—Indictments were returned here this afternoon against twenty-seven men, all charged with wilful murder, as the result of the raid on the negroes at Carbondale in October, 1914, when George Baker, 9 years old, was killed while asleep in the home of his father, Tom Baker, whom the night riders were after. Three of the men indicted on this charge, Hollie Jackson, Will Peterson, and Leo Sisk, have been sentenced to the penitentiary this week for participating in this raid.

In addition to these indictments, twenty-two others were returned today, charging various offenses. The grand jury was given until next Monday to complete its investigations and other night riders will probably be indicted.

Curtis Jackson, 18 years old, indicted as a member of the night rider bunch that shot up the Floyd Todd boarding house at Carbondale on Sept. 20, 1914, wounding Floyd and Grover Todd, Mrs. Todd and a child, was before the court today, the evidence being completed at 6 o'clock, the arguments being made tonight. The jury returned a verdict of guilty and fixed the punishment at 3 years in prison. This is the raid where the night riders were said to have been after O. S. Bookwalter, president of the Carbondale Coal Company, and young Todd.

Saturday morning—It is reported that a number of men charged with guilt in above cases have skipped their bonds of \$500 each and fled.

## F. D. RASH LEAVES FOR NEW YORK

## WILL MEET AT DAWSON

Groups 1 and 2 of Kentucky Bankers There on May 18

The joint meeting of Groups 1 and 2 of the Kentucky Bankers' Association, which is to be held at Dawson Springs, May 18, will be an important one for the bankers of the western half of Kentucky. Not only will the bankers consider matters of direct interest to their own line of business, but they will discuss more general affairs, especially as relating to good roads and improved live stock and agricultural conditions, and their relation to the banks and the aid the latter should give. The program for the meeting has just been issued.

## MRS. ED HAMER AGAIN IN LEAD

In Bee's Cincinnati-Louisville River Contest Trip

## BILL OLDHAM SECOND

Mrs. Ed Hamer, of this city, is again in the lead in the contest and says she is going after the \$50,000 Silver set. Bill Oldham, of this city is second and says he wants the silver set and is going to win it. There are others who have their minds made up that they will win the set so it is hard to guess who will get it in the end. The time is now just right to begin hard work on this contest as there are only five weeks more until the contest ends and there will be more work done in these 5 weeks than there has been up to this time. There are about eight or nine of the contestants that are very nearly equal in the matter of votes and any of this number can win the first place by a little extra effort and the first place entitles the winner to this delightful trip and the \$50,000 Silver set free. We have on a good proposition now and one that will be easy to work, we are giving the Evansville Courier daily by mail from now to Oct. 1st. The McCall's Magazine and The Bee one year all for \$2.00, this gets you 2,000 votes and is a splendid combination, tell your friends about it and see how quickly they will accept an offer of this kind.

The whites and blues will be glad to serve the victorious ones and the entire school will join in making this a very happy occasion.

One hundred and seven men were present in J. S. Hawkins' class, 79 women in J. R. Rash's class and 72 beginners and primary in Miss Mary Mothershead's class last Sunday. The offering was \$74.00 and will be used to complete the basement.

## "I DON'T SUFFER ANY MORE"

"Feel Like a New Person," says Mrs. Hamilton.

New Castle, Ind.—"From the time I was eleven years old until I was seventeen I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be easy a minute. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it, and now I feel like a new person. I don't suffer any more and I am regular every month."—Mrs. HAZEL HAMILTON, 522 South 16th St.

When a remedy has lived for forty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their health to it, is it not reasonable to believe that it is an article of great merit?

## QUARTER MILLION PEOPLE FAVOR A PROPER DEFENSE

Personal Protection Against Common Enemies Is the Popular Policy.

More than quarter of a million people—over two hundred and fifty thousand men and women—praise Tanlac today because Tanlac has made them better—made them feel better, given them more strength, more energy, more vim, better nerves, surer ambition, saner hope.

The tremendous triumph of Tanlac is easy to understand.

There are many sick people—some of them actually diseased, others simply "ailing," "not feeling well," "run down." And very often to be ailing, not feeling well, run down, is just the beginning of being diseased, because weakness brings illness. The weak cannot successfully resist attacks of disease.

These sick people sometimes get used to being sick. They are in the habit of not feeling well. People get so they believe it's natural to suffer from indigestion, dyspepsia, belching and bloatness from gas, sourness and soreness of the stomach, constipation, biliousness, inactive liver, dizziness, kidney troubles, pains in the sides and back, palpitation of the heart, headaches, "ringing in the ears," faintness, nervousness, loss of appetite, sleeplessness, falling off in weight, foul breath, coated tongue and irritability.

When such people take Tanlac and believe in them, like the Tanlac, get back their health and once more actually enjoy "being alive," they praise Tanlac—praise it with the thanks and gratitude that only the winning back of health can put into their hearts.

GAINS EIGHT POUNDS.  
Mrs. W. M. Patton, Clay City, Ky.: "I suffered intensely with stomach trouble and finally it affected my whole constitution. I became so nervous I could not sleep, and would have smothering sensations. Tanlac gave me immediate relief. The smothering sensations and choking disappeared. I have gained eight pounds and feel fine. I recommend Tanlac because it gave me relief after all other remedies failed."

IMPROVED BLOOD.  
G. C. Cornelius, Shelbyville, Ky.: "My blood was in such bad condition that if I scratched my finger my whole hand would break out with sores, also suffered from rheumatism and a general run-down condition. Since taking Tanlac my blood is improved, and I am not bothered with sores any more. I am not troubled with rheumatism. I can enjoy good night's rest. I am improved in every way."

WORTH WEIGHT IN GOLD.

Mrs. F. J. Terrell, 485 Ward Avenue, Bellevue, Ky.: "My stomach was so weak

it was difficult for me to keep down a drink of water. I used to get spells of

indigestion that took all the energy out

of me. I slept little and could not

eat enough to sustain me. Since taking Tanlac I can eat anything without discomfort. I sleep soundly throughout the whole night. I am a different woman since taking Tanlac. It is worth its weight in gold."

LIKE A NEW MAN.

John T. Wood, formerly of Lexington, Ky., now manager of Y. M. C. A. bowling alleys, Dayton, Ohio: "I was a sick man when I left home in Lexington. My brother, J. B. Wood, of Madison county, Ohio, who was well, advised me to take Tanlac. He said it had relieved him of stomach trouble, which had me completely down and out in a physical way.

My relief through taking Tanlac was wonderful. I feel like a new man."

WELL AGAIN.

Mrs. Lee Jockell, Valley Station, Ky.: "I was a sufferer from rheumatism and tried various remedies without getting relief till I took Tanlac. This has given me relief.

Tanlac has done wonders for my wife, who suffered from rheumatism and stomach trouble.

Now she can eat anything without suffering as she formerly did.

Zera—Geralds, do you know why Gladys and Sarah are so good?

Geralds—No, and I have often wondered, why?

Zera—Well, you see, they are so fat it is hard for them to stoop to anything low.

The seniors are up against a very perplexing question. After a general discussion and consideration it has not been settled. They would be pleased with any outside information which might lead to the correct solution of the question. Is a river "in" or "on" the ground?

Jack—Wallace, why do you wear those striped socks all the time?

Lionel—"For style."

Jack—Well, I didn't think you wore them because of ignorance or you would look like a zebra.

William Roy; If a flower garden had a bicycle would the rose petal.

Jack: Miss Huffaker, when are you going to give me my book back?

Miss Huffaker: I have already given your book back.

Lionel: If war is Hell, lots of men are going to war.

Miss Huffaker: There sure is?

Monroe: Ya, and there will be several women on the frontier, too.

Jack is very fond of his dime and dice.

If E. H. S. don't win this game with Dawson, we are going to get the "bowl and pitcher" next time.

Zera and Geralds were in an argument.

Zera—"Ah Geralds, you can't even hop up these stairs two steps at a time."

Geralds—"Any nut head could do that, just watch."

Whereupon, Geralds proceeded to hop up the stairs only to find, when he had reached the very top that there was thirteen steps so it was impossible to hop entirely to the top, two steps at a time.

Zera—Ha, told you ye could not, now what's the bet I can't?

Geralds—"Well you can't."

Then Zera hopped, two steps at a time, to the twelfth step, then hopping back to the eleventh step he covered the remaining two at one bound. But, Geralds was at the top, and that's how it happened.

Will Ira Eileen, Louise Gordon, Victor Ray, Carl Ferguson and Carl Seersman from the eighth grade and Myrtle Mae Sick of Freshman class of the John B. Atkinson Memorial School went to Madisonville Friday to take O. S. N. Examination. We feel sure that they will make a success of their undertaking.

Visiting Pastor Baker conducted chapel exercises Thursday morning. He made a very encouraging and delightful talk, and we are in hopes he will be with us again before he leaves our town.
